F. No. 2-2/2013 NFSM  
Government of India  
Ministry of Agriculture  
Department of Agriculture & Cooperation  
Crops Division

Krishi Bhawan, New Delhi  
Dated the January 7, 2014

To  
Hon’ble Vice Chancellor  
Administrative Office,  
Acharya N G Ranga Agricultural University,  
Rajendranagar, Hyderabad-500 030,  
Andhra Pradesh  
Email: angrau_vc@yahoo.com

Subject: Approval of concept notes and submission of detailed research project proposals.

National Food Security Mission is being implemented across the country focusing on wheat, rice, pulses and coarse cereals to achieve a target of additional 25 million tonnes foodgrain production by the end of 12th Plan. For achieving the targets of additional foodgrain production, there is a provision of some funds under NFSM to support Strategic Research Projects to State Agriculture Universities for refinement and validation of various crop production technologies pertaining to cereals and pulses. A orientation meeting with the State Agriculture Universities was held on December 3, 2013 to discuss the Project Proposals to be submitted in the thematic areas approved under NFSM. The concept notes of Research Project Proposals were submitted by the State Agriculture Universities in the Month of December, 2013. A committee constituted at Department of Agriculture & Cooperation has approved the following concept notes for submission of details Research Project Proposals are as under:

<table>
<thead>
<tr>
<th>S. No.</th>
<th>Title of the Concept Note of the Project</th>
<th>Remarks</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>Sustainable improvement in pulses (black gram) productivity in Andhra Pradesh: An approach of farmer participatory YMV resistant varietal evaluation</td>
<td>Project No 1,2,3,4 and 5 may be combined and submit one project proposal for demonstration of improved crop production technology of pulses in identified areas</td>
</tr>
<tr>
<td>2</td>
<td>Exploration and dissemination of native bio control agents in Pulse growing areas of Rayalaseema region of AP</td>
<td></td>
</tr>
<tr>
<td>3</td>
<td>Development and popularization of effective IWM strategies for rice-fallow black gram in North Coastal Andhra Pradesh</td>
<td></td>
</tr>
<tr>
<td>4</td>
<td>Popularization of newly developed black gram varieties resistant to yellow mosaic virus disease (YMV) suitable for all seasons</td>
<td></td>
</tr>
<tr>
<td>5</td>
<td>Up Scaling of Integrated Crop Management Technologies to enhance production in Rice-Pulse Cropping System</td>
<td></td>
</tr>
<tr>
<td></td>
<td>Description</td>
<td>Submission Details</td>
</tr>
<tr>
<td>---</td>
<td>------------------------------------------------------------------------------</td>
<td>---------------------------------------------------------</td>
</tr>
<tr>
<td>6</td>
<td>Designing common inhibitor (bactericide) against strains of bacterial leaf blight and bacterial leaf streak in rice through bioinformatics approach</td>
<td>Submit proposal on demonstration of identified inhibitors</td>
</tr>
<tr>
<td>7</td>
<td>Sustainability of maize + dolichos Intercropping System involving Pulses</td>
<td></td>
</tr>
<tr>
<td>8</td>
<td>On farm adaptive research on Mole Drainage Technology for land reclamtion and productivity improvement in waterlogged black cotton soils</td>
<td></td>
</tr>
<tr>
<td>9</td>
<td>Development of value added products from coarse cereals and pulses by on farm processing with mini modern processing machinery</td>
<td></td>
</tr>
<tr>
<td>10</td>
<td>Development and adoption of village level site specific nutrient manager for sugarcane, pulses and rice crops in Telengana region of Andhra Pradesh</td>
<td></td>
</tr>
</tbody>
</table>

1. The Detail Project Proposals on the concept notes approved should be submitted by 31st January, 2014 for further evaluation of the projects.
2. The project proposal will include minimum manpower (on contractual basis) and essential equipments.
3. The farm machineries and implements should be included as per necessity to demonstrate technology on the farmer's field.
4. The institutional charges is admissible @ 10% of the project cost.
5. The project period should not exceed more than three years i.e. up to 2016-17.
6. The different projects can be coupled under single research project proposal for easy transfer of funds from DAC to the State Agriculture University.
7. The modification or suggestion as mentioned in remarks should be incorporated for submission of detailed research project proposals.

It is therefore, requested that the detailed research project proposals through competent authority should be submitted to DAC by 31st January, 2014. The soft copy of the project proposal may also submit to dpmalik69@gmail.com.

A committee constituted at Department of Agriculture & Cooperation has approved the following concept notes for submission of details Research Project Proposals are as under:

<table>
<thead>
<tr>
<th>S. No.</th>
<th>Title of Concept Note of the Project</th>
<th>Remarks</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>Optimization of seed storage techniques for rice and black gram in coastal areas of Tamil Nadu</td>
<td>Submit project proposal with maximum budget Rs 115.00 lakhs</td>
</tr>
<tr>
<td>2</td>
<td>Adaption of machineries for millet mechanization</td>
<td>Submit project proposal with maximum budget Rs 60.00 lakhs</td>
</tr>
<tr>
<td>3</td>
<td>Post harvest processing and value addition of selected cereals and pulses</td>
<td>Add demonstration of various reciepies of cereals and pulses</td>
</tr>
</tbody>
</table>

1. The Detail Project Proposals on the concept notes approved should be submitted by 31st January, 2014 for further evaluation of the projects.
2. The project proposal will include minimum manpower (on contractual basis) and essential equipments.
3. The farm machineries and implements should be included as per necessity to demonstrate technology on the farmer's field.
4. The institutional charges is admissible @ 10% of the project cost.
5. The project period should not exceed more than three years i.e. up to 2016-17.
6. The different projects can be coupled under single research project proposal for easy transfer of funds from DAC to the State Agriculture University.
7. The modification or suggestion as mentioned in remarks should be incorporated for submission of detailed research project proposals.

It is therefore, requested that the detailed research project proposals through competent authority should be submitted to DAC by 31st January, 2014. The soft copy of the project proposal may also submit to dpmalik69@gmail.com.

A committee constituted at Department of Agriculture & Cooperation has approved the following concept notes for submission of details Research Project Proposals are as under:

<table>
<thead>
<tr>
<th>S. No.</th>
<th>Title of Concept Note of the Project</th>
<th>Remarks</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>Resource Management in acidic soils of Jharkhand for increasing crop productivity and sustainable soil health</td>
<td>Submit project proposal with maximum budget of Rs 100.00 lakhs</td>
</tr>
<tr>
<td>2</td>
<td>Identification and seed production of high yielding pigeon pea hybrids (medium maturity) under rain fed uplands of Jharkhand</td>
<td>Submit project proposal on standardization and seed production of pigeon pea</td>
</tr>
</tbody>
</table>

1. The Detail Project Proposals on the concept notes approved should be submitted by 31st January, 2014 for further evaluation of the projects.
2. The project proposal will include minimum manpower (on contractual basis) and essential equipments.
3. The farm machineries and implements should be included as per necessity to demonstrate technology on the farmer’s field.
4. The institutional charges is admissible @ 10% of the project cost.
5. The project period should not exceed more than three years i.e. up to 2016-17.
6. The different projects can be coupled under single research project proposal for easy transfer of funds from DAC to the State Agriculture University.
7. The modification or suggestion as mentioned in remarks should be incorporated for submission of detailed research project proposals.

It is therefore, requested that the detailed research project proposals through competent authority should be submitted to DAC by 31st January, 2014. The soft copy of the project proposal may also submit to dpmalik69@gmail.com.

Subject: Approval of concept notes and submission of detailed research project proposals.

National Food Security Mission is being implemented across the country focusing on wheat, rice, pulses and coarse cereals to achieve a target of additional 25 million tonnes foodgrain production by the end of 12th Plan. For achieving the targets of additional foodgrain production, there is a provision of some funds under NFSM to support Strategic Research Projects to State Agriculture Universities for refinement and validation of various crop production technologies pertaining to cereals and pulses. A orientation meeting with the State Agriculture Universities was held on December 3, 2013 to discuss the Project Proposals to be submitted in the thematic areas approved under NFSM. The concept notes of Research Project Proposals were submitted by the State Agriculture Universities in the Month of December, 2013. A committee constituted at Department of Agriculture & Cooperation has approved the following concept notes for submission of details Research Project Proposals are as under:

<table>
<thead>
<tr>
<th>S. No.</th>
<th>Title of Concept Note of the Project</th>
<th>Remarks</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>Development of suitable technology for increasing the productivity of pulse crops in rice-fallows</td>
<td>Submit project proposal on popularization of high yielding varieties of ragi and pulses in rice fallow</td>
</tr>
</tbody>
</table>
